## PERSONAL INFO

I am a 3rd year student and currently pursuing my B.Tech. degree in Artificial Intelligence and Data Science from Yeshwantrao Chavan College of Engineering, Nagpur. I am a self-directed learner with a strong passion for acquiring knowledge and exploring new concepts. I am working with data and learning data analysis using tools like Excel, Power BI. I am a good dedicated team player, I'm looking forward to boost up my skills to contribute effectively in collaborative environments.

## SKILLS

- MS Excel
- Power BI
- Math skills
- Problem-Solving
- Data Analysis Tools
- Communication
- Leadership

## EXPERIENCE

- INDIAN SOCIETY FOR TECHNICAL EDUCATION MEMBER
- EXECUTIVE DATABASE MEMBER

I actively participated in college-curated extracurricular activities, serving as an Executive Database Member. In this role, I effectively managed and organized data for various events within the college. Additionally, I made significant contributions to the database sector during the departmental Techfest "COMPUFEST".
